HR tips

Tell your employees about the Emergency Ride Home program, a free taxi service in emergency situations for commuters in Broward, Miami-Dade and Palm Beach counties.

[find out more](#)

Florida KidCare is now open for year-round enrollment. Let your employees know where they can find out more about this health insurance program for kids and teens up to the age of 19. Make applications available to your employees. [download them.](#)

Prosperity news

- Help your employees get on the Journey to Prosperity. Journey is a new program that matches individuals with mentors to guide them through the steps to saving money, paying off debt and buying a house. For more

Get connected

Know someone affected by Hurricane Katrina?

Miami-Dade County has opened two Disaster Assistance Centers (DAC) to provide those impacted by Hurricane Katrina with "one-stop" assistance including information and referrals regarding the types of disaster services available. DACs are at the South Dade Government Center, 10710 SW 211 Street, and the Joseph Caleb Center, 5400 NW 22 Avenue. [details](#)

You need to know

Handling stress can make all the difference

After a disaster, stress levels can soar, leading to more problems. United Way has a quick reference sheet offering ways to beat stress. [click here](#)

Help employees access relief

United Way offers important links and resources that can help people in our

The HR staff at the Mandarin Oriental pamper their their with services and benefits that keep the turnover low.

Employer spotlight

Luxury hotel caters to employees

Miami's swanky Mandarin Oriental gets high marks for its service. What most people don't know is that the hotel knows how to treat its employees just as well as its guests.
